### Favorite Find: MuNiMula Wine Tray

Posted August 13, 2007 by [valentina](#)

Found in: [Kitchen](#), [Entertaining](#)

A Smarter Home & Garden reader turned me on to this cool aluminum wine tray from [MuNiMula](#) (\$98). **It holds four wine glasses and a bottle of wine, stopping a spillage accident before it starts.** You could also walk around at a party, delighting your friends with offerings of vino. Do it!

[MuNiMula Wine Tray](#), \$98.
